A MISSISSIPPI ENTHUSIAST

Mrs. Lena Gresham, of Clinton,
Miss., Has a Few Facts to
Tell Our Readers About
Cardui.

Clinton, Miss.—"Thanks to Cardui,"
writes Mrs. Lena Gresham, of this place,
"I have been greatly relieved."

"I suffered for three years from female
inflammation, and had taken medicine
from four different physicians without
much benefit."

"I have received more benefit from
seven bottles of Cardui, than from all the
physicians."

Just try Cardui. That's all we ask.
It speaks for itself. It has helped so
many thousands, it must be able to
help you.

Trying Cardui won't hurt you. It is
safe, harmless, gentle in action, and
purely vegetable.

If you are weak, tired, down and out,
try Cardui.

If you are sick, miserable, and suffer
from womanly pains, like headache,
backache, dragging feelings; pains in
side, arms, legs, etc.—try Cardui.

It is the medicine for all women.

It is the tonic for you.

tahoga Medicine Co., Chattanooga, Tenn., for Special

PUBLIC LEADER
MAYSVILLE, KY.

ALL matter for publication must be handed in before 9 o'clock a. m.

Mr. John W. Snedegar and Miss Pickett Metcalf, the latter formerly School Superintendent in Bath county, were married recently at the home of the bride at Olingville.

Charles Bennett, son of Congressman Bennett, has secured a position as Secretary to the L. and N. Railroad Representative. His headquarters will be at Frankfort during the Legislature.

Mrs. R. P. Hopper of Maysville is at Millersburg at the bedside of her sister, Mrs. J. C. Leor. A daughter was born Tuesday to Mr. and Mrs. Leor, the infant dying a few minutes after birth.

Prof. A. N. Gordon of Lexington will deliver an address before the Richard Hawes Chapter, U. D. C., at Paris, next Wednesday afternoon, it being the anniversary of the birth of General Robert E. Lee.

J. W. Elgin recently received a letter from his daughter, Mrs. Stanley P. Reed, saying that she and her husband would leave Paris shortly for home by way of Italy and the Mediterranean—Maysville Public Leader.

We will always remember Mrs. Reed as Winnie Davis Elgin, the little girl, who upon being asked at the Methodist Sunday-school here who made the world, replied "Clyde Nelson," she thinking the question referred to the newspaper which had then but recently been established here. She was then a mere child and resided here, where she was born. Now she is a married lady touring Europe with her husband. How times does fly! And the older we get the faster the days and years seem to go.—Sharpsburg World.

She Hopkins probably had in mind those Covington residents who shop in Cincinnati when she said: "Don't do nothing for nobody what don't do nothing for you."

Glory be! Madison avenue car No. 314 went up the street last evening with only 57 passengers. Covingtonians were given a chance to stand.

Now let Ohio quit making fun of Kentucky's gun users until the discovery of the perpetrators of four terrible slaughters of women is effected.

We could stand for "Kathryn," "Dolly" and "Marye," but when those Louisville girls come "Milycyn" and "Lilyan"—y, that's too much!

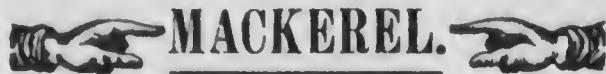

Headache

"My father has been a sufferer from sick headache for the last twenty-five years and never found any relief until he began taking your Cascarets. Since he has begun taking Cascarets he has never had the headache. They have entirely cured him. Cascarets do what you recommend them to do. I will give you the privilege of using his name."—E. M. BUREAUS LIFTED

From Maysville Backs—Relief Proved By Lapse of Time.

Back ache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms; Relief is but temporary if the cause remains. Care the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills cure kidney ills. Prove it by your neighbor's case. Here's Maysville testimony; The story of a permanent cure: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully endorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Beware of Ointments For Catarrh That Contain Mercury.

During the recent break-up in the Ohio river a large-size house boat was seen passing Maysville in the ice. The boat was caught by Fred C. Bauer at Bauer's Landing, O., and was in his possession. NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker had at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; who is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. IMPROVED FIRE SERVICE

Maysville City Council Investigating Up-to-Date Apparatus

Winchester Sun-Sentinel.

Since Winchester has taken the lead in purchasing improved fire apparatus, several towns in Central Kentucky have signified their intentions of following suit. It is reported that Shelbyville has already purchased an automobile hose wagon and the following letter was received by Mayor J. A. Haghee Monday morning:

MAYSVILLE, KY., January 10th, 1910.

Mayor Hughes, Winchester, Ky.—Dear Sir: We are writing you in regard to installing an auto hose wagon. We would be pleased to know the address of the manufacturer, the expense of maintaining the same, the number of firemen it requires and what they are paid and also if it is perfectly satisfactory.

Our Council is figuring on installing one and any information that you may be able to give us will be very much appreciated. We would also be very glad to know the cost of your machine. Yours truly,

JOHN C. EVERETT, Councilman.

Following is Mayor Hughes' reply:

I am in receipt of your letter relative to the auto hose wagon, and in reply will say that we are very highly pleased with ours so far, and it has given us entire and perfect satisfaction. I can quote you from our chief, who says that it can be maintained for 75 cents less than the old way of having horses to pull the wagon; then, too, our experience is that we can get to a fire much quicker, and with the use of the chemical materially improve the service.

At present we have three paid men in our department, all of whom are familiar with running the machine, but it is only necessary for one man to be with the machine. It is manufactured by the Webb Motor Company and it cost us \$4,650. At first sight, this will look extravagant to you, but we gave the matter careful consideration before purchasing and we have never had cause to regret it, as we feel that it is much cheaper than the old way, and in the end will be a big saving to the city, as well as improving the efficiency of the fire department.

I will be glad to have you come to our city and have our chief demonstrate our machine to you and if there is any further information you desire it will cheerfully be given. Yours truly,
J. A. HUGHES, Mayor.
